INFORMATION BULLETIN v9

City of Bar, Montenegro

Vlada Crne Gore **Opština Bar**

1. Welcome messages **CMAS Welcome Letter**

The Confédération Mondiale des Activités Subaquatiques (CMAS) is pleased to welcome all athletes, officials, and partners to the **2026 CMAS Euro-African Spearfishing Championship**, taking place in **Bar, Montenegro, from 22 to 25 October 2026**.

Bringing together top spearfishing athletes from across Europe and Africa, this Championship represents the highest level of competition in the discipline. It reflects a strong commitment to clean sport, respect for the rules, and responsible practice in the marine environment.

Events such as this also contribute to strengthening cooperation between federations and to promoting spearfishing as a disciplined, regulated, and sustainable activity.

This Championship is made possible through the close cooperation between CMAS, the organising committee, and the host federation, whose work ensures the conditions for a safe and well-organised event.

CMAS wishes all participants a successful competition and a rewarding experience in Bar.

Ms. Anna Arzhanova

Vlada Crne Gore Opština Bar

Cmas President.

Montenegro UW Federation

Dear Sir/Madam,

On behalf of the Organizing Committee, we are pleased to invite you to participate in the **2026 CMAS Euro-African championship in spearfishing (men & women)**, to be held in **Bar, Montenegro, from October 22 to October 26, 2026**.

Bar is one of the most attractive coastal cities on the Adriatic Sea, known for its rich maritime tradition and excellent natural conditions for spearfishing, offering ideal waters with great visibility and diverse marine life.

We are proud of our sea and coastline, which we believe will provide an excellent setting for this high-level competition.

Official accommodation for athletes and delegations will be provided at **Hotel Sato**.

The championship will gather top athletes and national teams from across Europe and Africa, competing in the spirit of fair play and international friendship. We are committed to ensuring excellent organization and warm hospitality for all participants.

Further details regarding the event will be shared in due course. We look forward to welcoming your delegation to Montenegro.

Yours faithfully,
Dušan Jovović
Director of competition

Municipality of Bar letter

Dear competitors, esteemed guests, representatives of organizations, ladies and gentlemen,

It is a great honor and pleasure for me, on behalf of the Municipality of Bar and all our

citizens, to warmly greet you and welcome you to the Euro-African Underwater Fishing Championship.

Bar is a city with an open heart, a meeting place of cultures and civilizations, a city that has for centuries connected the sea and the land, tradition and modernity. Situated between the mountains and the Adriatic Sea, our city is known for its rich history, hospitality, and natural beauty that leave a strong impression on every visitor.

We are especially proud of our sea – clean, rich, and challenging, ideal for such a top-level sporting event. Today, it becomes a meeting place for the best athletes from more than 20 countries, who will demonstrate their skill, courage, and respect for nature.

Such competitions are not only about sporting rivalry, but also an opportunity to connect people, exchange experiences, and strengthen friendships among nations. Bar has always been a bridge connecting different cultures, and I am confident that you will feel at home in our city.
I wish that your days spent in Bar remain in your fondest memories – not only for the results you achieve, but also for the companionship, atmosphere, and hospitality you will experience.

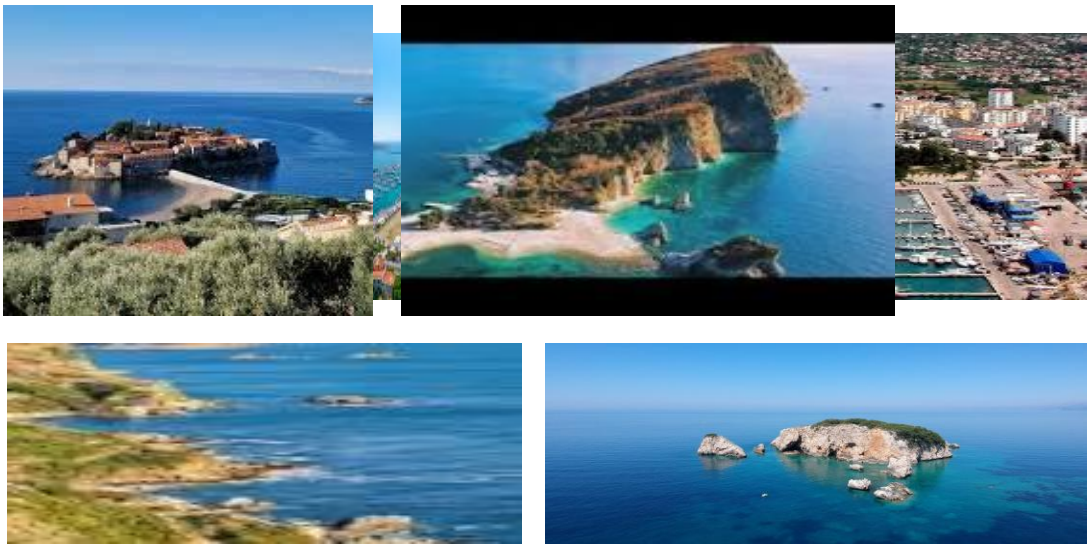
To the competitors, I wish calm seas, a good catch, and fair competition, and to all guests, a pleasant stay in our city. I hereby declare the Euro-African Underwater Fishing Championship open!

Thank you and welcome to Bar!

Dušan Raičević
President of the Municipality of Bar

2. Presentation of the Host City

The competition will take place in the city of Bar, located on the southern Montenegrin coast and representing an important tourist, cultural, and maritime center of Montenegro. Bar is a multicultural city, characterized by diversity and the coexistence of different cultures, traditions, and religions, which give it a distinctive and welcoming identity.



The city is closely associated with the Port of Bar, a key national maritime hub and an important component of the city's economic and logistical infrastructure, underlining its strong maritime character and regional importance.

In the nearby area is Stari Bar (Old Town Bar), a significant archaeological and historical site featuring medieval fortifications and stone streets that reflect the region's rich heritage. The area is also renowned for its traditional cuisine and authentic restaurants, offering a genuine experience of local gastronomy. The city is additionally home to the Old Olive Tree in Mirovica, one of the oldest olive trees in Europe, estimated to be over 2,000 years old.

Bar offers well-developed tourism infrastructure, including modern hotels, a marina, promenades, and attractive beaches along the Adriatic Sea. As Montenegro's main seaport, it is also an important transport hub with excellent regional and international connectivity.

With its mild Mediterranean climate, hospitality, and diverse offer, Bar represents an ideal destination for hosting international sporting events and welcoming athletes, officials, and visitors from around the world.

3. City map

Event location map – Bar, Sutomore - https://maps.google.com/?q=Hotel+Sato+Sutomore

The entire championship activity will be centred around the **Hotel Sato in Sutomore (Bar)**, which will serve as the main hub for accommodation, competition management, and official event activities. All key facilities, including boat operations, briefings, and administrative services, will take place directly in front of or within the immediate vicinity of the hotel.

As a result, all competition-related zones are located within walking distance, ensuring maximum convenience for participants and organisers. Travel times between accommodation, competition office, and operational areas are therefore negligible (0–5 minutes on foot).

The location of Hotel Sato provides excellent regional and international accessibility:

- Podgorica Airport → **38km** (40–50 minutes by car)
- Tivat Airport → **51km** (60–75 minutes by car)
- Dubrovnik Airport → **102km** (2.5–3.5 hours by car, depending on border crossing)
- Tirana Airport → **150 km** (3–4 hours by car, depending on border crossing)

Connections to Bar Railway Station

- **Podgorica – Bar** → approximately 1–1.5 hours by train (around 40–60 km by road
- **Belgrade – Bar** → approximately 10–12 hours by train (around 470–480 km by rail), via the Belgrade–Bar railway

Transfers & transport options (Podgorica → Bar)

- **Train:** The journey takes approximately 1–1.5 hours, with ticket prices around €5.
- **Bus:** Travel time is also around 1–1.5 hours, with ticket prices ranging from €5 to €7, depending on the season and demand.
- **Taxi:** A direct transfer takes approximately 40–50 minutes, with typical fares of around €50–60 per ride.

Note: Transfer is organized independently and at the traveler's own expense.

4. Presentation of the Competition Venue

The competition will take place at **Hotel Sato, Sutomore, Bar, Montenegro,** located at Obala Iva Novakovića bb, 85355 Sutomore, Montenegro (https://www.hotelsato.me).

Port – Base Marina:

Hotel Sato will serve as the main competition base and operational hub for the event. The venue is located directly on the seafront, with immediate access to the Adriatic Sea and a private beach area that will be used for boat launching, recovery, and on-water competition operations. All maritime activities will take place in the immediate vicinity of the hotel, ensuring minimal transfer time between accommodation and operational zones.

The hotel provides full supporting infrastructure including parking areas, reception and administrative offices, meeting and briefing rooms, restaurants and catering facilities, as well as changing rooms, showers, toilets, and wellness facilities including massage rooms. All key

functional areas are located within walking distance **(0–5 minutes**) from the beach and operational waterfront zone, allowing efficient organization of competition logistics.
