FREEDIVING JUDGE

SYSTEM - COURSES

STANDARDS & OUTLINES

VERSION 2019 /01

CA 208

The Freediving Judge System-courses aims to regulate the training of judges in collaboration with National Federations. As in the previous system, only one training course is conducted.

Judge career progress is made upon real experience gained during the competitions.

The Judge C-cards will be issued from CMAS to the National Federations in collaboration with the freediving commission and the authorized Trainer.
