4. SCORING AND CLASSIFICATION of Apnea Games and POOL SERIES

- Event medals

3 first places for men and women in each discipline in each event

- Scoring and Classification System for the overall event winner:

DYN: 1 point per meter

DYNBF: 1 point per meter

DNF: 1.25 points per meter

Overall winner:

There will be a ranking for the event as follows:

The athlete with the best sum, adding points from his best performances, from all 3 disciplines or less (if he has not participated at all disciplines).

Even if an athlete has not participated at all disciplines, his total score counts at the event ranking.

e.g

DYN: 100 mt = 100 points

DYNBF: 95 mt = 95 points

DNF: 80 mt x 1,25 = 100 points

Total 295 points

Total Classification of the CMAS FREEDIVING WORLD CUP POOL SERIES:

Calculating Total Points:

For each participant, adding the total points earned in their two best events.

Overall, Winner:

The athlete with the highest total points on his best two events is declared the overall winner.

5. Participation fees

The participation fees are 200 euro for one/two days competition or 250 euro for all three competition days. Payment has to be done until 10 April at the account (contact organizer)
