1 INTRODUCTION

- 1.1 These General Rules, specifically relating to Sea U/W photography, complete and specify the procedures and obligations applicable to all CMAS World and Continental Championships.
- 1.2 The championships will take place in a single event spread over a period of 4 days, divided as follows
 - 1.2.1. One day for practice
 - 1.2.2. Two days of competition
 - 1.2.3. One day for judging
- 1.3 **Hosting Federation**
 - 1.3.1. The right to organise the championship will be granted to the hosting Federation only after receipt, by CMAS, of the correctly completed application form required, (Appendix 1 of specific procedures and obligations applicable to all CMAS World and Continental Championships including all its enclosures (1.1, 1.2, 1.3 and appendix 1.4 specific to underwater photography). This form has to be returned to CMAS HQ at least two years before the year of the Competition for a world championship.
 - 1.3.2. The CMAS Board of Directors will choose the hosting country if possible before the date of the preceding world or continental championships in order to be announced officially during those championships.
 - 1.3.3. The publication of the event in the CMAS calendar confirms receipt of the duly signed contract (Appendix 5 of specific procedures and obligations applicable to all CMAS World and Continental Championships) including its appendix specific to sea underwater photography signed by the President of the hosting Federation This signature and Registration fee payment is the guarantee that the hosting Federation fulfils all its obligations.
- 1.4 **Specific Rules**

The hosting Federation will have to send CMAS the specific rules for the competition no later than 8 months before the starting date of the competition. These rules will have to list in detail all announcements and important information concerning the championship, as required by the general rules and by the contract.

2 PARTICIPATION AND ENTRY

- 2.1 All member Federations affiliated to CMAS (with or without vote and from any committee affiliated) can propose a team. They have to return no later than 8 months before the competition the entry form for the championship (Enclosure A) to CMAS with a copy to the organising Federation.
- 2.2 Each Federation or Association can propose maximum a total team of 5 persons including 2 Photographers, 2 assistants and one captain. The names of participants should be finalised at the latest 3 months before the competition and enclosure A should be resend to CMAS with copy to the organising federation if some names were added or modified compare to previous sending.
- 2.3 In case that the number of photographers is more than 2 for one country, a selection will be organised by the CMAS photo-film-video commission in order to reduce the number allowed to participate at 2 photographers per country.
- 2.4 In case that the number of photographers exceeds the hosting federation capacity, the CMAS photo-film-video commission will organise a selection validated by CMAS Steering Committee and in such case only the federation having one of their photographers best classified in the previous World Championship will be allowed to enter 2 photographers.
- 2.5 The registration fee for participating federation should be sent to CMAS by sending Appendix 6 of specific procedures and obligations applicable to all CMAS World and Continental Championships in the delay define on it.
- 2.6 Personal entry forms (Enclosure B), have to be received by CMAS at the latest 3 months before the date of the competition with a copy sent to the hosting Federation.
- 2.7 Photographers should be at least 16 years old at the date of the beginning of the Championship. They must either have the Nationality of the Federation that register them or have been resident in that country for at least for 3 (three) years continuously.
- 2.8 All photographers must have a CMAS ** (2 star) diver certification as a minimum and must have a certificate of diving fitness (enclosure B).
- 2.9 The CMAS delegate will check certificates and documents, the day before the competition
- 2.10 All those who do not comply with this article 2 will not be allowed to compete.
- 2.11 If one competitor, for unexpected circumstances, cannot participate to the competition, the national federation or association may replace him by sending to CMAS and the hosting federation enclosure A duly signed by the federation President, indicating his agreement on the above change. This must be received not later than 10 days before the competition.

5.2.3.4. The organisation of the dives and handling of the photos

5.2.3.5. The different photo categories to be judged

5.2.3.6. Guide-lines for protocol medal ceremony

6 ORGANISATION OF DIVING COMPETITIONS

6.1 Each national team will be allocated to boats equipped with all the equipment and safety material specified in the relevant laws of the host National country. Boats must remain at the dive site whilst any competitor is in the water. Boats will only be filled around ¾ of full capacity in order to accommodate the competitors comfortably.

6.2 Any changes to the programme will be approved by the CMAS International Judge and displayed daily to competitors on dedicated notice board.

6.3 The maximum time of possible diving at each dive site is 90 minutes. At the end of the prescribed time, the team must back on the boat with safety stops completed. 2 dives should be planned per day for the 2 competition days.

6.4 Each photographer and assistant will be given at least 2 cylinders per competition day. The capacity (minimum 10 litres) and pressure (minimum 170 bars) will be similar for all competitors.

6.5 All competitors should dive in similar diving places chosen in a draw. The host National Federation or Association should have scheduled an alternative protected diving area in case of bad weather.

6.6 Any competition that has begun but has been interrupted, because of unexpected circumstances, can be considered valid only under decision of CMAS Judge Delegate.

6.7 Only the CMAS Judge Delegate is entitled to decide the interruption of the Competition.

6.8 To avoid any contention during the competition, the team captain (if one exists) will not dive during the two or more days of the competition, his function being to assist his team on the surface.

6.9 Photographers without an assistant will dive in pairs, but in case they don't find a buddy, the Organising committee will make the choice.

6.10 In case of any unexpected circumstances (for example the assistant being unable to dive) confirmed by the official doctor, the captain can play the role of assistant for a photographer who has no more. Article 6.9 will apply if it is not the case.

7 SPECIFIC RULE

7.1 This rule includes the competition programme and participation costs for photographers, assistants, captains and any possible accompanying staff (lodging, board, dives, local transports) as well as any possible extra charges (for instance additional night).

7.2 It define the ambient conditions associated with this competition (e.g.: average temperature of the water, visibility, etc.

7.3 It details the name, address, telephone / fax and e-mail of the contact person, for any request for information.

7.4 It establishes the digital cards to be brought by the candidates according to the camera to be used.

7.5 It details the 5 categories for the individual classification:

- 7.5.1. **Fish** [Fish Photo only (ex : turtles, octopus,... are not accepted) involving nice attitudes of these creatures]
- 7.5.2. **Close-up photo with a theme** (Macro or close-up photo of a theme. Each championship will have a subject or theme which is representative of the location of the competition. The theme/subject will change for each championship and will be defined by the Photo-video Commission – e.g. shrimp)
- 7.5.3. **Close-up photo without a theme** (Macro or close-up photo of all subjects except fish or the theme of the championship as the main subject. Details of fish or of the theme are not accepted in this category)
- 7.5.4. **Wide angle without diver** (a wide angle photo without any diver showing the beauty of the natural underwater environment including fauna and flora.)
- 7.5.5. **Wide angle with diver** (a wide angle photo including diver who may be the assistant, coloured lights and half-half pictures are allowed in this category.)

8 PHOTOS

- 8.1 The competition will be done only with digital cameras. The photographer can use any type of camera he likes to use. Cameras with radio interfaces like WLAN or Bluetooth are not allowed in the competition.
- 8.2 The min. resolution of the images are:
3000 x 2000 px at a picture size of 3:2
2800 x 2100 px at a picture size of 4:3

- 8.3 The images have to be saved in best quality with less compression
- 8.4 Only original images without any manipulation are allowed in the competition. All images have to be in the JPEG-File format. If the camera has the possibility to save images as a RAW + JPEG file, the participant is allowed to use the RAW-file format, if the integrated JPEG- file is a separate file and not only part of the RAW-file.
- 8.5 The photographers can use any type of memory cards, he likes to use. They should have a capacity for a minimum of 100 images in best quality. The hosting federation has to use card readers for every kind of possible memory cards. If it is possible to use more than a single memory card in a camera, it is allowed to use only one storage the other card slot has to be empty.
- 8.6 In the beginning of all days of the competition the CMAS Judge Delegate has to control:
 - 8.6.1. the formatting of the marked memory cards in the participant's camera
 - 8.6.2. the closing of the underwater housing.
 If it is necessary to open the housing quickly (without control of an international judge) in case of accident (e.g. leak in the housing) all images taken till this time are not allowed to be used in the competition. The participant has to format the memory card again under the eyes of an international judge.
- 8.7 Every day of the competition (2 dives) the photographer has the opportunity to take 100 images. Images over 100 will not be considered by the jury.
- 8.8 Submission to the competition.
In the End of the competition day the underwater housing are to be opened under control of a CMAS Judge Delegate. . The storages has to be given to the CMAS Judge Delegate.
The judge has to copy the first 100 images from the memory card to an external storage(e.g. computer, notebook, external hard disc etc.) The folder of the copied images will be renamed with the number of the participant.
The photographer gets back his memory card, to search for the images he likes to submit to the competition. At the agreed time he just has to tell the image number to the CMAS Judge Delegate. For ranking or voting the jury uses only these images, they have copied after the competition day to their external storages. This makes sure, that the images will not be manipulated.
- 8.9 Manipulation of images
The improvement of images during the time of the shot done by the firmware of the camera (such like sharpness, contrast and saturation) are no manipulation of images.
Additional improvements of images done after the time of shot, are manipulations which will be punished with disqualification.
- 8.10 Additional usage of digital images
After the choise of images by the participant, all other images have to be deleted on the external storage of the hosting federation. Only images for the competition have to remain on this storage.
Photos, submitted to the photo jury will be property of CMAS and will be used freely without payment but under the name of the photographer for promotion activities of the CMAS or affiliated associations or Federal Nations.

- 11.1 Photographers will be responsible for equipment they are given during the Championship as well as for their personal equipment and accessories allowed in the competition.

12 PROTECTION OF THE ENVIRONMENT

- 12.1 The competitors and/or assistant should not touch or move any creatures underwater. They have to avoid any manipulation or destruction of the fauna and flora during all the competition including the practice day.
- 12.2 Photographers and assistants may be controlled during the practice day and the competitions days.
- 12.3 In the case of destruction of the fauna or flora by a competitor and/or an assistant, where the destruction is duly confirmed by the CMAS Judge Delegate the competitor and/or the assistant may be excluded.

13 PHOTO AND VIDEO REPORTERS

- 13.1 Photographing and filming photographers during the competition is only allowed with the authorisation of the Organising Federation.
- 13.2 Competitors may wish to refuse to be photographed or filmed will have to submit enclosure C to CMAS International Judge before the draw is held (article 5). If the enclosure is not submitted, it will be considered that the team has no objection to being photographed or filmed at any time.
- 13.3 This enclosure (C) will have to be distributed by the CMAS Judge Delegate to all participating teams before the meeting mentioned in article 5.

14 FINAL PLACING

- 14.1 For each championship, the CMAS Audio-visual commission will establish the categories on which the judgment will be done; their maximum number will be of 5.
- 14.2 An Individual Classification for the world championship will be established by adding up points obtained by each competitor in each of the five categories (fish, close-up with a theme, close-up without a theme, wide angle without diver, wide angle with diver). Only the placing of the first 10 (ten) photographers individual and in each category will be made public. Other photographers can ask for their classification from the CMAS International Judge.
- 14.3 The first three photographers in the individual placing of each category will be respectively awarded the gold, silver and bronze medal.
- 14.4 The winner with the best score of all categories will be the World Champion.
- 14.5 There is no appeal against the decisions taken by the photo jury.
- 14.6 Competitors are obliged to attend the prize award ceremony. Competitors who fail to attend it will no longer be entitled to be awarded their prizes. Competitors should bring their national flag and a cassette of their National Anthem for the ceremonies.
- 14.7 Besides medals, the organising Federation can honour other persons in the placing with different cups and awards (i.e. first 3 for the 2 combined wide angle categories, for the 2 combined close-up categories,...) but these prizes
 - 14.7.1. should be agreed before by the CMAS Judge Delegate
 - 14.7.2. can not be given to the winners during the official medal award ceremony which is strictly limited to the medal awards.
 - 14.7.3. will not be included in CMAS official results.
- 14.8 The Photo Jury can only make one special award for a particularly remarkable photo.
- 14.9 The organising Federation will give each competitor a certificate of participation to the CMAS Championship out of the official medal award ceremony.
