OFFICIAL COMPETITION POOL AND TRAINING

With complete confidence, "Milan Gale Muškatirović" can be considered a sport-recreation center with the most beautiful location in Belgrade.

In such an environment perfectly fits gracefully as the grandiose modernist masterpiece of architect academician Ivo Antic - according to many, the most beautiful sports and recreational center of the capital, the building where the view can rest as much as on its surroundings.

On the other hand, SRC "MGM" is a sports and recreation center with perhaps the most diverse and active offer in Belgrade:

- Three outdoor swimming pools (one for international competitions, one with elements of recreational water park, one for children), indoor swimming pool (sauna block with wet and dry Finnish sauna, infrared sauna and a small swimming

pool), two halls for indoor sports, and coffee bar Center.
