ORGANIZES ON BEHALF OF

CMAS FREEDIVING COMMISSION

FREEDIVING INDOOR

INTERNATIONAL JUDGE COURSE

INFO & OUTLINE

APRIL, 24TH – APRIL 26TH, 2020

ULSZ RIF/SALZBURG
CMAS International Indoor Judge Course will be held from April 24th to 26 April 26th, 2020 at Universitäts- und Landessportzentrum Salzburg, Hartmannweg 4, 5400 Hallein (AT). The theoretical part of the course will be held on Friday afternoon, April 24th. At the course can participate also judges, for cross over from other agencies, with the same conditions.

The course will have both Theoretical and Practical parts. The theory session will cover the details of the rules and procedures of related CMAS Freediving (Apnea) Competitions. The practical part will be done at the Austrian Indoor Open Freediving Championship, from April 25th to April 26th at Universitäts- und Landessportzentrum Salzburg, Hartmannweg 4, 5400 Hallein (AT). The successful participants will be accepted as Main Judge assistants in the competitions. The conditions of the course as written on the CMAS web page (http://www.cmas.org/114-28634.php?commission=apnea) are as follows:

The course will be given by Orhan Ölcüoğlu, an International Judge and CMAS Freediving Commission member.

According to CMAS:

The course can be International Judge Course (IJC) and/or Judge Assistant Course (JAC),

The course is organized under the authorization of CMAS (and CMAS Free diving Commission),

The instructor is a CMAS International Judge appointed by CMAS for the course,

The course outline has been approved by CMAS Free diving Commission prior to the course.

The candidates should be selected by the local federation and proposed to CMAS.

First theoretical training of candidate judges (CJs) will be done with the judge assistants to be used in the competition.

The CJs will also attend to the practical issues in a competition.

The instructor will follow the CJs at all phases, and it will make written exams for the CJs.

At the end of the theoretical and practical process the instructor will propose who has succeeded the course as the International Judge for the approval of BoD.
Finally the candidates who passed successfully the course should practice as a Main Judge assistant in a CMAS International Championship, and be approved by the Main Judge of that championship.

**SECTION-I: Theory**
Program is going to be announced on site.

**SECTION-II: Hands-on Practice Sessions**
As for the practical parts of the course, all the participants are expected to attend all the technical, organizational and safety meetings. The competition and athlete registrations and announcing the results procedures will also be followed by all the candidates. Moreover, the candidates will be appointed in some suitable positions in the championships. The details given in the lectures will be experimented during the competitions.

**SECTION-III: Evaluation**
