1ST WORLD CUP CLUBS TARGET SHOOTING TUNISIA 2024 PRESENTATION

Olympic Swimming Pool Rades from 6 to 19 October 2024

Presentation of the Target Shooting World Cup

Competition Rules

The CMAS Target Shooting rules govern the competition for 3 and 4 meter shots. It is supplemented by this document specific to the "Club World Cup" classification.

The CMAS regulations are available for download at the following link:.

<https://www.cmas.org/target-shooting/how-to-regulations.html>

SPECIFIC RULES OF THE COMPETITION

For this edition of the Club World Cup, Participation is open to nations and clubs

This competition will include

- A ranking of the event by sex (except relay which is mixed), by event, by format (3m, 4m)
- A General classification for clubs (see definition below)
- A General classification of nations (see definition below)

Each team can be with 2 or 3 athletes and they must be defined as soon as registration in the CMAS portal

Teams can be mixed.

The CMAS license is NOT mandatory to participate in the World Cup. Only the CMAS entry fee is applied (24€ per participant)

COMPETITION

The competition's events:

- Precision
- Biathlon
- Super biathlon
- Relay

A team can only participate in one format, it must choose 3 or 4 meters at the time of registration.

A team must complete all its events in the same format

A format (3 or 4 m) will have events organised if 3 Clubs participate in this format at least.

COMPETITION AREA

- An Olympic swimming pool for the competition
- 8 lanes
- 50m
- Depth of 2 to 3 m
- The swimming pool is available from 16/10 in the afternoon to 18/10 after the end of the competition
- A visit for a presentation is scheduled for the afternoon of October 16
- For the training, the slots times must be booked in advance to check availability and organisational possibilities

REGISTRATION FOR THE COMPETITION

All team and athlete registrations for events must be submitted electronically only in the CMAS portal.

Each club must create an account for each athlete on the CMAS portal:

<https://portal.cmas.org>

Pay the CMAS FEES per participant (24€)

Register each Team and Athlete in the CMAS portal.

Register every judge, coach and team official also in the CMAS portal.

MODIFICATIONS TO THE CMAS REGULATION

- Reminder: In the Super-Biathlon event, a valid visual is one with an impact worth 100 points, as defined in point 2.6.1 of the CMAS rules.
An athlete's race (event) is valid as long as he or she meets the conditions of point 7.3.1.
The notion of a valid visual does not intervene in the definition of a valid race.
- In the relay event, the starting line is reduced to 7m from the shooting line (C).
- The race of a relay team (relay event) is only valid if 9 complete runs and 9 shots have been done.

MODIFICATIONS TO THE CMAS REGULATION

- Teams of 2 athletes will be weighted at $3/2$ on their scores in the individual events when calculating the combined scores in the club and nation rankings.
- Teams of 2 athletes will do the relay event by making 5 shots for one and 4 for the other with a relay pass between each shot.

WORLD CUP CLASSIFICATION

Classification of the events (according to point 9 of the rules)

Athletes or teams are ranked in each event following the general CMAS rules.
Each of these rankings has a podium and an awards ceremony.

Scores combinés

For the calculation of the combined scores, the performances in the Super-Biathlon event are converted into points according to the following formula:

For men: $5000 - (\text{time} \times 6) - (5 - (\text{VV} + \text{if}(\text{time} > 240; 1; 0) + \text{if}(\text{time} > 285; 1; 0))) \times (45 \times 6)$

For women: $5000 - (\text{time} \times 6) - (5 - (\text{VV} + \text{if}(\text{time} > 270; 1; 0) + \text{if}(\text{time} > 315; 1; 0))) \times (45 \times 6)$

or

- 5000 is the maximum points quota on the event,
- time is the time achieved by the athlete in the event, expressed in seconds
- VV is the number of "Valid Visuals" on the target
- 6 is the value of the second in points
- 45x6 is the value in points of the penalty for exceeding the time limit mentioned in point 7.3.1 of the CMAS regulation

WORLD CUP CLASSIFICATION

General Club Classification

The combined score of a team is the sum of the scores obtained by the team or its members in the different events (relay + scores of each member).).

The General Club classification is a combined classification:

It is established by ranking the best teams of each club among themselves according to their combined team score from the highest for first place, to the lowest for last place

WORLD CUP CLASSIFICATION

General countries Ranking

A team's event score in an individual event is the sum of the points acquired by its members in this event.

The country score in an event is the event score of the strongest team of that country in that event.

A country's combined score is the sum of the country scores obtained by that country in each event.

The General Country ranking is a combined ranking:

It is established by ranking countries according to their combined country scores, from the highest for first place to the lowest for last.

WORLD CUP CLASSIFICATION

Club Classification or countrys Rankings

The combined classification is done without distinction of format (3 or 4m).

In the event of a tie in the combined rankings, the ties are separated by their highest score

- in the relay event
- then in the biathlon event
- then in the super-biathlon event
- then in the accuracy event
