Classification and Awards

The classifications will be based on times registered by the timekeepers. The results will be compiled according to CMAS score and CMAS World Cup classification.

There will be classifications for Individuals, Clubs, National Teams and Countries

Individual:

There will be, for every distance, four different individual classifications for Senior and Junior, men and women. Swimmers registered by Clubs or National Teams are in this classification.

Club:

The general classification will be made by the total amount of the individual points (men and women, junior and senior only registered by clubs). Four separate Club Classification will be made also for senior men, senior women, junior boys and junior girls.

National Teams:

The general classification will be made by the total amount of the individual points (men and women, junior and senior). Four separate National Teams Classification will be made also for men, women, junior boys and junior girls.

Countries Ranking:

The Countries' Ranking will be made following points 1.10 and 1.13 by the total amount of the individual points (men and women, junior and senior) of National Teams.

If a National Federation does not enrol its national team, the best two results by club following points 1.10 and 1.13 at each distance, at each category (men, women, junior and senior) will go for the Countries ranking.

- Individual prizes: medals will be given to the first three classified athletes in every individual race and every relay.

- Team prizes: Cups for the first three clubs and Cups for the first three National Teams.

- Awarding ceremonies will take place during the competition, so the athletes involved must be at the organising staff's disposal at the right time.
