

CMAS FREEDIVING WORLD CUP - POOL SERIES

CHAPTER 1

1. Introduction:

The CMAS FREEDIVING WORLD CUP- POOL SERIES is envisioned as a premier CMAS worldwide freediving event that unites athletes from diverse cultures, backgrounds, and nations. The world cup series will serve as a platform to promote freediving, promote global sportsmanship, and showcase the performance of athletes across various disciplines.

2. Objectives:

Athlete Excellence, aiming to provide athletes with a stage to showcase their skills, push their limits, and compete at the highest level. The events will be spread as possible in many countries and continents so to be easier for the athletes to participate in a round near to their residence.

3. Event Structure:

Online registration, to allow athletes from all corners of the world to register and participate.

4. World Cup Rounds:

The number of rounds and the places are defined annually in the CMAS calendar and identified with this label.

5. Logistics and Operations:

Security and Safety: Implement robust security measures and emergency response plans for the safety. CMAS certified safety free divers will be used at the events.

Logistical Support: Collaborate with local authorities and professional organizers for running the event rounds and the local event logistics.

The CMAS FREEDIVING WORLD CUP POOL SERIES will provide World Record status and qualification criteria for World Games 2025, emphasizing to safety, organizing, and a commitment to excellence.

CHAPTER 2

Guidelines and specific rules for CMAS FREEDIVING WORLD CUP POOL SERIES

1. Participation:

<https://www.sportdata.org/cmas/set-online/index.php>

Online license will be applied with cost 24 euro per participant.

3. Disciplines:

The CMAS FREEDIVING WORLD CUP POOL SERIES will include the following events:

Senior Male: DYN, DNF, DYNBF

Senior Female: DYN, DNF, DYNBF

4. Rules:

The relevant CMAS rules and regulations for each discipline. Specific rules for the Pool Series will be also applied.

<https://www.cmas.org/freediving/how-to-regulations.html>

5. World Record Status:

All rounds will have World Record status.

6. Scoring and Classification System:

DYN:1 point per meter

DYNBF:1 point per meter

DNF: 1.25 points per meter

Event medals

3 first places for men and women in each discipline in each round

Overall winner of each WORLD CUP round

There will be a ranking for each round as follows:

The athlete with the best sum, adding points from his best performances, from all 3 disciplines or less if he has not participated at all disciplines.

Even If an athlete has not participated at all events, his total score counts at the event ranking.

e.g

DYN:100 mt=100 points

DYNBF:95 mt =95 points

DNF: 80mtx1,25= 100 points

Total 295 points

- Total CMAS FREEDIVING WORLD CUP POOL SERIES Classification:

Calculating Total Points:

For each participant, adding the total points earned in their two best events.

Overall, Winner:

The athlete with the highest total points based on his best two events is declared the overall winner.

7. Program

Each event can be from 3 to 6 competition days. Every athlete can choose the discipline that wants to compete. Athletes can compete in the same discipline as many competition days they want. Mixed discipline starts are allowed. The relevant rules are applied

8. Participation fees

Suggestion 100 euro/dollar per competition day.
