ORGANISATIONAL ARRANGEMENTS

ART. 1 ORGANISATION

The F.I.P.S.A.S., in collaboration with the "A.S.D. La Salle Eridano" Club, is organising, **from 11 to 13 April 2025**, the Italian Parasport Indoor Freediving Championships (events: Dynamic Freediving with Fins - **DYN / DYN-BF** - Dynamic Freediving without Fins - **DNF** - and Static Freediving - **STA**).

The event is governed by the National Parasport Indoor Freediving Competition Rules and by these Specific Competition Regulations, which all participants, by registering, declare to have read and duly agree to.

These regulations are available on the federal website www.fipsas.it

ART. 2 PARTICIPATION

All athletes belonging to the parasport categories and complying with the provisions of these Regulations and the rules referred to therein may participate in the competition.

Participation is reserved for the first **60 entered athletes**. The selection criterion is the order of entry.

Each athlete may take part in all the events on the programme.

ART. 3 ENTRIES

Entries must be made through the website: <https://iscrizioni.novarapnea.it/>, following the instructions below. **Registrations will open on 19 January 2025 with a deadline of 31 March 2025**. The closing date for entries for all the events included in the programme may be brought forward if the maximum number of entries is reached earlier.

Instructions for online entries: The club must register at: <https://iscrizioni.novarapnea.it/> Afterwards, it will receive a password that can be used to enter its athletes and modify the declarations, download the entry form in pdf format and upload it once it is signed.

Please note that, until 31 March 2025, clubs will be able to modify and update all data, including the declarations of their athletes.

In order to facilitate the division into separate lanes, two separate races will be created on the federal computer system: one for intellectual-relational athletes (FFS14-FFS21 classes) and one for athletes with physical and/or sensory disabilities. Please pay maximum attention when uploading data.

31 March 2025 is the last day for all eligible athletes.

Confirmation of participation is subject to payment of the entry fee, which must be made within 5 days of uploading the registrations on the portal and, in any case, strictly no later than 31 March 2025. The communication of the payment of the registration fee must be sent, via email, to the address marco.giachino@ndecontrol.it, together with a **copy of the bank transfer, to be made according to the following methods:**

15.00 Euros per athlete for each event.

The entry fee must be paid by bank transfer to:

A.S.D. La Salle Eridano - Via Giuseppe Giulietti, 12/B - 10147 Torino

**Banca Monte dei Paschi di Siena - Ag. 3 Torino - IBAN Code:
IT07H0103001003000001244780**

Reason For Payment: Entry Fee Italian Parasport Indoor Freediving Championship 2025 (please specify the name of the athletes for whom you are paying the fee)

Registrations are only valid once the entry fee has been paid.

Registrations that are not confirmed by payment of the membership fee within the above-mentioned terms may not be considered by the organization. This is to free up space and allow access to athletes in line.

Should an athlete fail to participate in the Italian Championship, for whatever reason, the club must still pay the relevant entry fees.

Failure to participate in the Italian Championship, for whatever reason, does not entitle you to a refund of the paid entry fee.

Entry fees shall be paid in one lump sum per participating club. Additional payments are permitted subject to an agreement with the organising club.

N.B. Once the mandatory deadline of 31 March 2025 has expired, applications shall be rejected.

Please send in advance the form uploaded into the system also by e-mail, both to F.I.P.S.A.S. (E-mail: subacquea@fipsas.it) and to Mr Marco Giachino (E-mail: marco.giachino@ndecontrol.it).

Each athlete must be in possession of the following documents:

- Valid Federal Membership Card;
- Valid Athlete Card;
- Valid medical certificate of fitness for competitive sports;
- Valid identity document.

Please note that:

According to Article 1.2.4.1 of the PARASPORT NATIONAL RULES, athletes with disabilities who are registered with a federal club that carries out Parasport freediving through federal coaches specialised in disabilities:

A) in order to compete in the Italian Championships or in order to have national/international records homologated, they must hold the FIPSAS Official National Classification (CUF).

The awarding of the CUF qualifies the athlete for entry regularity.

Failure to do so makes it impossible to participate in the Italian Championships and/or to have any records homologated.

The CUF has a cost (classification fee) of Euro 15.00 exclusively for motor disability classifications, which require a medical examination, while for visual or intellectual and/or relational disability classifications, no fee is due, as only the review of the documentation set forth in the National Competition Regulations is required.
