TECHNICAL NOTICE

Subject: Registration process for the CMAS World Cups Finswimming Indoor.

Introduction

This guide assumes that you have already created an account on the CMAS Portal website for your club or federation and added the members of your club or federation to it.

If you haven't done this yet, please consult the following video guides (<https://www.youtube.com/watch?v=1ESKjvYCbXw> and https://www.youtube.com/watch?v=346zM_YRONk) and make sure that you first have created an account and that you have added the members of your club or federation.

At the end of this document, you will find information on how to get help in case you encounter any problems. Before you reach out for help please read this guide carefully.

Next to the detailed steps in this document there is also the following video (https://www.youtube.com/watch?v=N7YMOESA_C0) that shows you what you need to do to register your athletes for a CMAS World Cup Finswimming.

Finswimming Commission

Step 1 - Participants registration

Log into the CMAS portal <https://portal.cmas.org/cmas/dashboard>
Go to the event section <https://portal.cmas.org/cmas/evt-events/events>

Use the filter options to easily find the event you want to register for.

The filter options are shown in the picture below indicated by the red circles 1 & 2. Select “competition” and “finswimming” and the list will only show the finswimming competitions. That should make it easy to find the event.

Finally click on the event to go to the registration. Red circle 3 in the picture blow

The screenshot shows the 'Events' section of the CMAS portal. At the top, there is an 'Instructions' box. Below it, there are filter options: 'Event Type' (set to 'Competition'), 'Sport' (set to 'Finswimming'), 'Date Range' (set to 'All Dates'), and a 'Search' field. Red circles 1 and 2 highlight the 'Competition' and 'Finswimming' dropdown menus respectively. Below the filters is an 'Apply Filters' button. The main content area shows a list of events. The first event is 'Competition Test World Cup round 1 Springfield USA', which is highlighted with a red circle 3. The event details include 'Only Federations and Clubs' and 'Start Date: 21/03/2025'. There is an 'Active' status indicator.

Next, click on the button “Register participants”

The screenshot shows the 'Event Registration' page for the 'Test World Cup round 1 Springfield USA'. The registration status is 'Open'. The page is divided into sections, with the first section being 'PARTICIPANTS REGISTRATION'. Below this section, there is a description: 'Register all participants for the event before managing athletes disciplines, coaches and team officials details.' At the bottom of this section, there is a blue button labeled 'Register Participants'.

Select the athletes you want to register. For ease of use there are again search (circle number 2) and filter (circle number 1) options. If you don't see all athletes, you can show more by selecting all at the bottom of the page (Circle number 5).

Select all athletes you want to register in the competition shown in the picture below (circle number 3) and finally press the orange button "Add to registration" (circle number 3). You can repeat these steps as many times as needed to add all athletes. The same applies to coaches and team officials.

Step 2 - Event management

In this step, you will select which races each athlete will swim individually or as part of a relay team. Please be informed that there are costs associated with each race. They are stated in the bulletin on the event and must be paid to the LOC (local organising committee). For now, it's not possible to pay them via the CMAS Portal.

To start click the button “manage athletes”

Once you have selected the discipline, you can select one or more athletes who will participate in that given discipline. Only the eligible athletes will be shown. This means that they have been added in step 1 “register participant”, the CMAS fees have been paid (no more pending payments), and comply with the conditions of the selected discipline. Press the orange button “Continue to Additional Information”.

In the next screen, the selected athletes are presented with the possibility to give the registration times.

Please fill in the personal best of the given athlete for the selected discipline. Also, specify at which location this result was achieved.

If no results are given or a result is below the current record (World or Continental), then the time in the start list will be 59:59.99. Currently, no warning is given about this.

In a CMAS Finswimming World Cup, each athlete can only participate in a limited amount of disciplines per round. If that limit is reached, a warning will pop to indicate that this athlete can only participate in “Out of Race”. In that case, select “Out of Race” in the drop-down menu if you want to continue. Consult the CMAS rules for more details about “Out of Race” participation.
