

**CMAS FREEDIVING
WORLD CUP POOL SERIES 2024**

**NOVEMBER 7th-10th 2024
HAI'AN · NANTONG · CHINA**

Hai'an is situated in Jiangsu Province, at the junction of Nantong, Yancheng, and Taizhou, with the Yellow Sea to the east and the Yangtze River to the south, connect the southern through the northern, eastern to the western of Jiangsu province. It serves as a key node city in the Yangtze River Delta Economic Zone and a comprehensive transportation hub city. Hai'an is renowned as the birthplace of education, equipment manufacturing, architecture, silk production, globe fish cuisine, textiles, flower drum culture, seaweed cultivation, and longevity. It has consistently achieved the top position in the comprehensive assessment of Nantong City for ten consecutive years and has been recognized as an advanced county (city) in promoting high-quality development within Jiangsu Province. Furthermore, it ranks 20th among China's top 100 industrial counties (cities) and holds the 11th position in the list of China's top 100 innovative counties (cities).

In the process of accelerating economic and social development, Nantong Hai'an has placed significant emphasis on advancing sports initiatives, consistently enhancing the construction of sports facilities, actively promoting public fitness activities, and exploring effective pathways for public sports services. The region has successfully nurtured over ten champions at both national and international levels.

In recent years, Hai'an has hosted a series of prestigious international events, including the China Tour International Basketball Stars Challenge, the China-Canada Women's Basketball International Match, and the Four-Nation Basketball Invitational. These successful events have attracted elite athletes from around the globe as well as numerous sports enthusiasts.

4.SCORING AND CLASSIFICATION

- Event medals

3 first places for men and women in each discipline in each event

- Scoring and Classification System for the overall event

winner: DYN:1 point per meter

DYNBF:1 point per meter

DNF: 1.25 points per meter Overall winner:

There will be a ranking for the event as follows:

The athlete with the best sum, adding points from his best performances, from all 3 disciplines or less (if he has not participated at all disciplines}.

Even If an athlete has not participated at all disciplines, his total score counts at the event ranking. e.g

DYN:100 mt=100 points

DYNBF:95 mt =95 points

DNF: 80mt x 1.25= 100 points

Total 295 points

Total Classification of the CMAS FREEDIVING WORLD CUP POOL SERIES:

Calculating Total Points:

For each participant, adding the total points earned in their two best events.

Grand Champion:

The athlete with the highest total points on his best two events is declared the grand champion.

5.PARTIACION FEE

100 US dollars per discipline per participant.
