

CONDITIONS TO OBTAIN A CMAS LICENCE

Revised June 12th, 2023 – BOD227

This point is included in the Procedures and OBLIGATIONS

Anti-doping, voluntary and mandatory commitment.

The athlete certifies that he or she has read the WADA regulations (Code, rules, guides, list of prohibited methods and substances...) and CMAS regulations in force.

The athlete gives consent and agrees to the creation of the profile in the WADA Doping Control Clearing House (ADAMS) and/or any other similar system from an authorised National Anti-Doping Organization (NADO) in agreement with the CMAS for the sharing of information to be entered in such data systems related to doping controls, whereabouts, and therapeutic use exemptions.

To be conformed to the compulsory updated request of the WADA in terms of education, the athlete must confirm that he / she has completed the Athlete Learning Program about Health and Anti-Doping (ADEL- Anti-Doping Education and Learning) **and obtained the Certificate ADEL**. This is an eLearning program developed by WADA and available on the eLearning platform ADEL (Available at <https://adel.wada-ama.org>).

CMAS suggests that the athlete mainly approach his / her national federation / National Olympic Committee / National Anti-Doping Organisation to help **manage and finalise such important requests**.

Any breach of this anti-doping commitment may result in the immediate withdrawal of the license.
